Caring for God's World

As we celebrate Christ the King, we remember that Jesus showed us how to lead through service, kindness and care for others. Christians believe that God entrusted the Earth to us and one way we can follow Jesus' example is by looking after His creation.

Whether it's switching off lights, reducing waste, or recycling carefully, small actions help us care for our world and the people who share it.

Choose one way to care for God's creation this week. Together, we can be good stewards of the wonderful world God has given us.

Another charity organisation that will recyle your Christmas Tree in January

From the office:

Soon we are off to the Panto and there are several payments outstanding. Please make the payment on ParentPay asap.

We are also collecting donations for Pershore Food Bank and currently the box is empty! Collections are due to be picked up next week, so if you have any spare tins etc please bring into school and pop into the box by the children's entrance.

As ever, thank you for your support
