### A letter from Worcestershire Children's First:

Dear all,

Worcestershire Early Help Partnership are wanting to hear from Wychavon families and young people about what is important to them and the help and support they need in order to help shape future services and the creation of family hubs.

Family hubs aim to provide joined-up help, support and services to children, young people and families from pregnancy through to the age of 19 years old (or 25 for young people with special educational needs and disabilities). They focus on bringing services together and changing the way family help and support is delivered locally. Services may be delivered from a mixture of locations such as children's centres, libraries, schools etc as well as delivered online/virtually or in the home.

The survey is anonymous, confidential and open to everyone in Wychavon, we will not be able to identify you from your response. The information you provide will be used by Worcestershire Early Help Partnership only for the purpose of consultation and research in order to help shape the family hub support in your area.

There is also an opportunity to be entered into the draw to win 1 of 4 £50 supermarket shopping vouchers. The survey closes at midnight on Sunday 30 April 2023.

### Make the Rules Day

Well I am happy to share the staff got through today....

There was chocolate eaten in class by one very lucky lady, chocolate and sweets eaten outside on the playground as an unhealthy snack, pudding eaten before the main course, lipstick, tattoos, crazy hairstyles galore and no school uniform in sight!

We managed to raise £131.55 and I know more pennies will come in after school.

So well done everyone..... however back to normal on Monday please!
