

John 10:10
Jesus promised, "I came that you may have life and have it to the full."

Happy Birthday to Steven

9 years old today

Fladbury's Got Talent for Red Nose Day

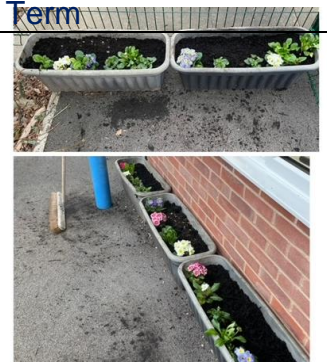

Our Fladbury's Got Talent for Red Nose Day was brilliant and we were thoroughly entertained with Gymnastic and Karate moves, miming, yoga, poetry recitals, singing, hula hooping, skate boarding, a science experiment and some very funny jokes. Every child who took part did so with such confidence and a smile; and all were awarded a little something for taking part. It was incredibly difficult to choose the class winners but this year they are....

- Jace – for his hula hooping
- Myla and Rosie – for singing the school song so beautifully
- Stanley – for his very funny jokes
- Bethany – for demonstrating how to make a larva lamp.

PE Kit – a little reminder that our PE kit is navy blue shorts and t-shirt. Please can you ensure your child has the correct kit?

Medical Forms – there are still some families yet to return their medical and dietary forms for Malvern. These need to be returned asap.

Have you seen the new planters at the front of school? These were planted up by the children during Gardening Club, and what a good job they did as if you compare them to these photos you can see they are already growing. Well done Gardening Club members.

Diary Dates

MARCH	ACTIVITY
Mon 18 th	Last Swim Elm Class
