

## Fladbury C.E. First School EQUALITY OBJECTIVES

### OUR VISION

Every child at Fladbury will know they are loved by God, have a happy heart and be part of a flourishing, well-led school. When they leave Fladbury, they will be well-prepared to meet challenges, confident in their abilities and look forward to their bright future with an open mind.

*John 10:10, "I came that you may have life and have it to the full."*

At Fladbury C.E. First School we are committed to ensuring equality of provision throughout the school community. In order to achieve this our equality objectives are as follows:

- To provide a stimulating and attractive learning environment which is accessible to all pupils, staff and visitors
- To give our pupils rich, diverse experiences that ensure that all pupils make good progress, including vulnerable groups
- To provide a well-planned, exciting and challenging curriculum that addresses equality issues and develops lively, enquiring and open minds in our children
- To monitor bullying and harassment of pupils and staff by race, disability and gender, and ensuring that this information is used to make a positive difference to the experience of pupils and adults.
- To work in partnership, ensuring equal access to information for all parents
