SEVERN TRENT

We have received notice from Severn Trent that although the water works on the A44 have finished, some of the reinstatement work on the road has not been completed to standard. This means that work will begin again on the A44 on the 27th January and should be completed by the end of April.

Please plan ahead during these times as there may be delays on your routes to and from school.

Jubilee Bridge will be closed 4th - 6th
February.
