## Sustainable Fladbury

The Diocese of Worcester, along with the Church of England are committing to do their part to save the planet by having net zero carbon emissions by 2030.

As a Church of England School, we are a huge part of this and will be supporting the ambitious target.

We will soon be creating our climate action plan in collaboration with our children and the school community.

As part of this, we will be sharing a tip each week that will help save the planet - and probably help you save some money on your utility bills! Keep your eyes peeled!

# Noticeboard

Thank you so much to everyone for wearing red to school today and sharing your jokes!

Between us, we have raised:

**£56.65**

for Comic Relief!

Please comment on the post on Class Dojo school story if you are able to join us!

## Parent Consultation

Relationship, Sex & Health Education (RSHE)

24th March  
19:00

As we are becoming a primary school in September '25, we now need to consult with our families regarding RSHE. Previously, (as we had no Y5 or Y6) we did not deliver the sex elements of the curriculum but we have now adopted a new scheme of work across the school which does include these elements.

Please join us to find out more about how we teach RHSE in all year groups, why we teach it and the specific content that is taught.

## Easter Craft in Church!

Eggciting news for children of all ages!!! There will be a craft activity in Fladbury Church during the service on Easter Sunday April 20th at 11:00. We will be decorating eggs so I eggspect to see you all there! No eggceptions, no eggscuses!
