Sustainable Fladbury

Useful Coffee Grounds

Use spent coffee grounds as natural deodoriser shoe inserts – or stash them in your fridge and car.

Why it's surprisingly useful:

- Used coffee grounds absorb odours just like baking soda, but people often throw them away after one use.
- Dry them out and tie a few tablespoons into old socks, fabric scraps, or even old tights– instant DIY odour absorbers and throw them into:
 - Smelly shoes
 - The fridge (instead of single-use baking soda boxes)
 - Your car
 - Gym bags
 -

Bonus Twist: Once they've done their odour-fighting duty, compost them – they're still full of nutrients.

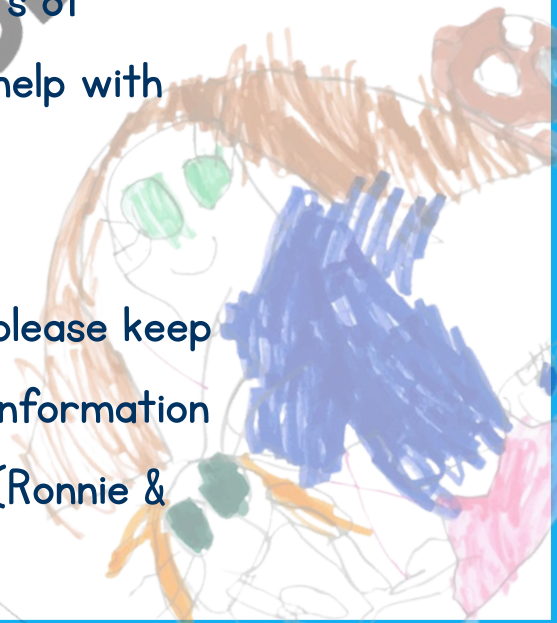

Fladbury PTA

Welcome back to the new school year from the Fladbury PTA!

We have another exciting year ahead of us with lots of opportunities to raise valuable funds for school to help with costs of trips, swimming, resources etc.

There will be a PTA meeting in the near future so please keep your eyes peeled for date. If you would like more information or would like to get involved, please contact Claire (Ronnie & Vinnie's mum) on 07802608114.
