Sustainable Fladbury

“Energy Vampires!”

Even when you aren't using them, things like game consoles, TVs, and tablet chargers “suck” electricity if they are still plugged in.

When you finish playing or charging, flip the switch or pull the plug. This stops the vampires, saves your family money, and keeps the Earth healthy!

Fladbury PTA

The PTA cannot run unless there are enough parents supporting it.

The PTA contributes hugely to trips and events for our children and without them, many of these things would not be able to happen or would be at a significantly higher cost to parents.

Please consider what support you may be able to offer and contact the PTA to get involved!

Noticeboard

We are looking for enthusiastic new volunteers to join our wonderful Open the Book team, which brings the magic of Bible stories to life for our children through fun, interactive drama. Our storytellers visit approximately four times a term to lead 10-15 minute assemblies, using simple props, costumes and plenty of imagination.

Whether you have a flair for acting or would prefer to help "behind the scenes" with costumes and props, we would love to hear from you.

This is a rewarding way to support our school community with a minimal time commitment of just an hour or two per session. All volunteers are safely recruited through their local church and receive full training and DBS vetting. If you're interested in joining the fun, please contact the school office for more details.

Please join us for our next Parent Forum meeting on Monday 9th February at 19:00

Y3/4 - Please don't forget to make payments online for our Boundless Outdoor trip and the Egyptian Workshop!
