Happy Birthday!

No birthdays this week!

Sustainable Fladbury

Get the Washing on the Line!

Wash clothes at 30°C instead of higher temperatures. Modern detergents work just as well at 30°C, and washing at this lower temperature uses significantly less energy than hot washes.

Now that the sun is shining, swap the tumble drier for the washing line!

It's an easy switch that helps cut carbon emissions and keeps clothes in good condition for longer.

Fladbury PTA

All parents and carers are automatically members of our PTA and together we play an important role in supporting the school community. Whether you can offer a little time, a helping hand at events, or new ideas, every contribution truly makes a difference. Your support helps us create successful events and fundraising opportunities that directly benefit all our children—we'd love to have you involved. Please get in touch if you are able to support in any way.

Noticeboard

Bellboating

We understand that by this time children are usually out on the river enjoying their bellboating sessions and we know many of you may be wondering about the delay. Unfortunately, due to circumstances beyond our control, we haven't yet been able to get the sessions underway. We appreciate your patience and understanding in the meantime.

The walls are going up quickly. Scaffolding is now up to finish the top parts of the walls!

Noticeboard

Is your child desperate to play for a team?
