100% Well done!	95.8%	97.6%	97.9%

Whole school attendance: **97.7%**

Dojo Points

Two weeks of points!

1st Place	2nd Place	3rd Place
Malvern 449	Bredon 356	Lickey 345

Happy Birthday!

Eva - 10 years old!
Stevie - 8 years old!
Freddie - 7 years old!

We hope you had a super day!

Sustainable Fladbury

LED Bulbs!

Swap old bulbs for LEDs and put hallway/bedroom lights on timers. It cuts energy bills, reduces carbon emissions, and teaches children how small changes make a big difference.

Reminders

School is closed on Friday 22nd for a TED day before the half term. School reopens on Monday 1st June.

On warm, sunny days please ensure that sun cream has been applied before school - we recommend using the 'once a day' type so that the protection lasts throughout the day. Should sun cream need to be reapplied, please send a named bottle (roll on preferably) that children can apply themselves.

Please also ensure that children have hats in school and a water bottle. We have a water cooler which children are able to use to refill their bottles throughout the day.

Noticeboard

Walk, Ride, Thrive!

Wychavon schools have the opportunity to take part in exciting summer activities that boost student wellbeing and help make the air cleaner around your school. All activities are free!

- Bike/Walking Buses
- Student Cycle Skills training
- Clean Air Day (18th June) activities
- Tour de France-themed active travel competition

BONUS OFFER: All schools that register interest will receive a free Dr Bike session (bicycle health checks and minor repairs/adjustments) at your school!

Walk Wheel Cycle Trust is a registered charity in the UK no. 328752 (England and Wales), SC037063 (Scotland) and 20236824 (Republic of Ireland). © Walk Wheel Cycle Trust 2025.

If you have any questions, please email Jack - jack.pottinger@walkwheelcycletrust.org.uk

Dr Bike

FREE Bike Checks and Minor Repairs and Adjustments

Wild school holiday fun

Don't get bored in the school holidays - try our fun nature activities instead!

Worcestershire Wildlife Trust

Make a nectar bar

No matter how big or small your space, there's a lot you can do to help our insects!

1. You'll need a window box (or two if you've got space) with drainage holes.
2. Use peat free compost in your window box.
3. Stock up on pollinator-friendly plants that are suitable for window boxes. Chose from lavender, thyme, sage, agrimony and rosemary.
4. Water regularly throughout the summer!

Make a butterfly painting

You will need water-based paints, brushes, sugar paper, marker pen and plenty of newspaper to cover your table.

1. Fold a piece of sugar paper in half (as if making a card) and open it back out.
2. Paint the shape of butterfly wings on one half. Fold the paper over again and press down.
3. Open out the paper and add more colours to one side. Refold and press.
4. When the butterfly wings are dry, add a body and antennae with a marker pen.

How to build a mini wildlife pond

wildlife watch

You will need:

- a water-tight container
- old bricks, rocks and pebbles
- pond plants
- spade

1. Choose a spot. Your pond will need light, but not full sunlight all day. You can dig a hole and sink your container, or just leave it sitting on top.
2. If the container isn't watertight, e.g. an old plant pot, then add a piece of pond liner.
3. Add a layer of gravel and rocks.
4. Fill your pond with rainwater. (Any water containers clean well!)
5. Start planting - you only need two or three plants.
6. Now watch and wait! Wildlife will come to your pond of its own accord.

One natural growing plant that reaches out of the water is a flowering reed.

Use logs or stones to create a range of depths and a slight furrow to create a shelter for minnows to hide in and out.

It is often easiest to get an old washing-up bowl, sink or even a plant pot. Use for 10-15cm deep.

Don't introduce fish or even water from another pond as this can spread disease.
