We were delighted to share a huge thank you to Mrs Edwards in church this morning for her wonderful work in our school office. We are truly grateful for all she has given. We look forward to welcoming her into our wraparound team in September!

Young Voices

Children have already been given information and forms to complete for our 2027 experience. This year we have 20 spaces available and can therefore only offer the club to children in Year 3, 4, 5 and 6. If your child would like to take part, please return the forms and we will then assign payment on ParentPay.

ROCU CYBER CHOICES

CYBER CHOICES

KNOW THEIR DIGITAL WORLD

Education and awareness is key to our intervention work. There is no age limit to who we support.

WHO ARE WE?
The Cyber Prevent Team delivers the national Cyber Choices Programme, helping young people make safe, responsible, and legal choices online. Through education on cyber law, including the Computer Misuse Act, we support informed decision-making and raise awareness of the consequences of cyber crime.

We also encourage positive cyber opportunities by promoting skills development, training, and future education and career pathways, helping to prevent young people from being involved in cyber criminality.

WHAT DO WE DO?
This programme is aimed at individuals who are at risk of, or on the cusp of, committing cyber-dependent crimes.

Cyber dependant crimes are offences that can only be committed with technology:

- Hacking
- Cheating/Modding online games
- Breaking IT rules
- DDoS or DoS - tools to impair systems and services
- Unauthorised access to computers, phones, networks, and devices

Wild school holiday fun

Don't get bored in the school holidays - try our fun nature activities instead!

Summer family nature day
Wednesday 19 August
10am - 2pm
Lower Smeile Farm, Smeile Hill, Worcester, WR3 8SZ

Explore a nature trail around the farm, get creative with a range of flora-inspired craft activities and have a go at hands-on wildlife activities such as pond dipping and mist-netting. Bring a picnic to enjoy on our benches and listen to the sounds of nature all around.

Free entry and no need to book! Find out more at bit.ly/SummerFamilyNatureDay2026

How to watch moths
You will need a white sheet, a washing line, pegs, a bright lamp or torch.

1. Peg your sheet on a washing line or over a branch.
2. Turn off nearby lights.
3. Shine your torch or light onto the sheet... wait patiently.
4. Identify the moths that gather.

this is a Hedgehog garden

the Hedgehog lives in this garden
it has all of the hedgehog stuff
in it the a hedgehog hibernates in the
winter and comes out at the Autumn.

Avon Class entered the Worcestershire Wildlife Trust competition where they had to draw a hedgehog garden for the chance to win a hedgehog house for our forest school. We are so pleased to share that out of 105 entries across Worcestershire, Evelyn's picture and description wowed the judges and she received 1st place. Well done Evelyn and to everyone who took part.

Evelyn was presented with a toy hedgehog by representatives of the trust and we now have a fantastic home for all hedgehogs in our forest school!
