Attendance

Wye	Avon	Teme	Severn
97.9%	100% Amazing!	95%	94.4%

Whole school attendance: 96.9%

Sustainable Fladbury

Switch it off today for a brighter tomorrow!

Save energy by switching off lights, TVs, computers, and chargers when they're not being used.

At school, remember to turn off classroom equipment at the end of the day. At home, encourage your family to switch off devices instead of leaving them on standby.

These simple actions help reduce energy waste, lower carbon emissions, and protect our planet. Small changes made every day can have a big impact when we all work together.

Family Challenge: Can your household have one "Power-Down Evening" each week by switching off unused electronics and saving energy together? Every watt saved counts!

Noticeboard

A huge thank you to Fladbury Cricket Club for the money that they raised for our school!

Cuddly toys wanted!

Do you have any cuddly toys looking for a new home?

The PTA would be grateful for donations of clean, good-quality cuddly toys for the Christmas Fayre teddy stall.

Please drop donations off at the office by 20 November.

Thank you for your support!

Wild school holiday fun

Worcestershire Wildlife Trust

Don't get bored in the school holidays - try our fun nature activities instead!

Autumn family nature day

Wednesday 28 October
10am - 2pm
Lower Smite Farm, Smite Hill, Worcester, WR3 8SZ

Explore nature themed trails, get creative with autumnal wood and paper crafts and have a go at hands-on wildlife activities such as log-rolling, minibeast hunts and pond dipping (water levels and weather permitting).

Bring a picnic to eat on our benches and enjoy the sights and sounds of autumn.

Free entry and no need to book. Although, if you register via our website, it helps us know how many people to expect on the day.

Find out more via bit.ly/AutumnFamilyNatureDay2026

Grow your own oak tree

You will need some acorns, a plant pot, some stones or gravel and soil or peat-free compost.

1. Collect acorns in the autumn. Healthy ones will sink in a bowl of water.
2. Lay stones or gravel in the bottom of the pot and then fill it with soil or compost.
3. Plant an acorn by pushing it into the soil with your finger. The acorn must be out of its cup with the pointed end facing upwards.

Leaves should appear in the first spring. Plant your oak tree outside in the second spring.

Did you know an adult oak tree can be home to 284 species of insect?

Pine cone creatures

Wildlife Watch

Teams4u Christmas boxes

Just a reminder that your child can still take part in this special project which is a great activity for the October half term! If you need another information leaflet, we have a small number available in the school office.

Please hand in completed boxes to the office by Monday 9 November. T4U
